

Kara Nerenberg, MD, MSc

Assistant Professor, University of Calgary
Departments of Medicine, Obstetrics & Gynecology, and
Community Health Sciences
Division of General Internal Medicine (Obstetric Medicine)
Calgary, AB

Dr. Nerenberg is a General Internist working in Obstetrical Medicine at the Foothills Medical Centre in Calgary, Alberta. She is an Assistant Professor in the Departments of Medicine, Obstetrics & Gynecology, and Community Health Sciences at the University of Calgary. Her clinical and research interests are in the epidemiology and prevention of cardiovascular disease in post-partum women with pregnancy-related complications (preeclampsia, gestational hypertension and gestational diabetes), which was recently supported by a Heart and Stroke Foundation of Alberta New Investigator Award.
