**Biography**

Dr. Michele Turek is an Associate Professor in the Faculty of Medicine at the University of Ottawa, staff cardiologist at the Ottawa Hospital and University of Ottawa Heart Institute. She was the co-chair of the 2000 Consensus Conference on Women and Ischemic heart disease for the Canadian Cardiovascular Society. Her expertise is in clinical cardiology, heart disease in women, echocardiography, pre-operative assessment and cardio-oncology. She is a medical advisor for the Canadian Women's Heart Health Centre and the co-chair for the 2016 and 2018 Canadian Women's Heart Health Summit.
