#### Biography

Originally from Calgary, AB, Dr. Judy Luu completed a combined MD/PhD with a doctoral focus on using cardiac MRI in patients with ischemic heart disease under the mentorship of Dr. Matthias Friedrich. After completing her adult cardiology residency at the University of Manitoba, Dr. Luu is now pursuing a fellowship in Women's Heart Disease at Cedars-Sinai Medical Centre in Los Angeles, California with world-renowned expert, Dr. Noel Bairey Merz. Following this, she will complete advanced training in Cardiac MRI and join the team at McMaster University to set up their first Women's Heart Program in Hamilton, Ontario. Her research interests include utilizing non-invasive imaging to better diagnose women with coronary vasomotor dysfunction and her passions for advocacy includes racial/ethnic diversification and raising awareness for multiculturalism in women's heart health.
