Biography

Dr. Kajenny Srivaratharajah is an Internist with a clinical and research interest in women and cardiovascular health. She is currently an Assistant Professor of Medicine at McMaster University. She completed medical school and residency training at the University of Ottawa and subsequently pursued a fellowship in Cardiac Prevention under the tutelage of Dr. Beth Abramson, at St Michael's Hospital, University of Toronto. She is currently pursuing a Master's degree in Health Science Education to support her work as a clinician-educator in the Division of General Internal Medicine at McMaster University. She continues to provide care and instruction in cardiac health and prevention through her work in the Cardiac Health and Rehabilitation Clinic at the Hamilton General Hospital.
